"I joined JLL in 2018 and now work in the office mailroom. Together with my big brother, Edward, we manage the deliveries and post for the whole office. I start my typical day doing office inspections to check whether anything needs to be repaired, that the printers are running and office supplies are well stocked. Then I go all around the city to make deliveries. My brother and I are both deaf, but we communicate very well with our colleagues. We write, text and, of course, use body language! We can also lip read when people are speaking clearly and not too quickly."

"Before taking on this job, I used to be a cook and worked in a couple of restaurants. I really enjoy cooking and eating - especially Western cuisine and pasta dishes. Even though I liked working in the kitchen, being a cook meant that I worked some pretty long hours and it was very physically demanding. A few years ago, the restaurant that I was working in shut down, so I decided to explore a different line of work and learn something new. My brother suggested that I take on this job and I am really happy that I made the move. Even though I am busy, my work is a lot less stressful and I also really like the working environment. There is a great community here at JLL - my colleagues are kind and inclusive."

"We are five siblings and I am fourth in line. My whole family communicates using sign, so nobody speaks at home. I'm really lucky to have such a great relationship with Edward - we live together, work together. Growing up, he always treated me well and would always look after me. He also takes me travelling all around the world. We've been to many places together - Japan, Europe, USA...we love to explore. In my spare time, I love to watch dramas and movies, especially comedy and Kung Fu films - like Jackie Chan. I'm also really passionate about raising awareness of sign language and deaf culture - I hope that I can help more people learn to sign so we can break down communication barriers!"

「我 2018 年加入仲量聯行，現在在公司的郵件室工作。我和哥哥 Edward 會一起處理全公司的包裹和信件。我平日的工作由巡樓開始，我會檢查有沒有設施需要維修，打印機是否運作正常，以及辦公室物資是否齊全。然後我會遊走各區送遞郵件。哥哥和我也都是聾人，但是我們跟同事溝通得很好。我們會寫字、傳短訊，當然也會用身體語言！當人們說話清晰，而速度不是太快的時候，我們還可以讀唇。」

「做這份工作之前，我是一個廚師，並做過好幾間餐廳。我喜歡下廚，亦喜歡吃東西，尤其是西餐和意粉。雖然我當時喜歡在廚房工作，但做廚師的工作時間很長，很消耗體力。數年前，我任職的餐廳倒閉，所以我決定嘗試別的行業，學一些新技能。哥哥提議我嘗試這個職位，我很慶幸自己踏出了這一步。雖然我在這裡的工作也是忙碌，但壓力小很多，我亦很喜歡這裡的工作環境。仲量聯行的工作氣氛很好，我的同事也非常友善和包容。」

「我們家裡有五兄弟姊妹，我排在第四。我們全家人都是用手語溝通，所以在家裏沒有人說話。我很幸運能夠跟 Edward 的感情這麼好，我們住在一起，亦一起工作。從小到大，他也對我很好，十分照顧我。他還會帶我到不同地方旅行。我們一起到過很多地方—例如日本、歐洲、美國...我們很喜歡探索新地方。在空餘時間，我喜歡看劇集和電影，尤其是喜劇和功夫電影，例如成龍的作品。我也熱衷提高大眾對手語和聾人文化的認識，我希望我可以幫助更多人學習手語，讓我們可以跨越障礙，互相溝通！」
